

# DIAMANTE

CABO SAN LUCAS

---

To scan for channels on a Samsung TV, you can do the following:

1. Press Home on your remote.
  2. Select Settings.
  3. Select Broadcasting.
  4. Select Auto Program.
  5. Select Start to begin auto-programming.
  6. Select Air if you are using an antenna only, or Cable if you are using a cable box only.
